Rio Grande Western Wants \$8,000 to Move Tracks from Elghth and Ninth South.

The feature of last evening's Council meeting was the tendering of the resgnation of R. C. Gemmell, the Repubican member from the Fifth, and the mmediate appointment of Arthur J. Davis to succeed him.

The resignation of Mr. Gemmell was suched in the following language:

"On account of my continued absence

from town and the uncertainty as to when I can return. I believe that my duty to my constituents demands my resignation. I therefore hereby tender my resignation as councilman from the Fifth precinct. I regret exceedingly to do this, but believe that the interests of the people whom I represent require more attention than I am able to give them. Thanking you all for your courteous treatment while I have been

member of the Council."
Immediately following the reading of he communication Robertson moved hat it be received and filed and that the resignation be accepted. Speaking to the motion, the member from the Fifth said he regretted having to make it. The Council was losing one of its most efficient members. He was prepared to say that Mr. Gemmell's associations with the other members had been of the pleasantest kind, and it was only recently that he told the speaker of his sorrow in having to take the step he had taken. Councilman Gemmell, the speaker further said, was a conscientions man and believed, in view of the circumstances surrounding im, that to resign was a duty he owed o bimself and his constituents. The ion carried unanimously.

Robertson, as one of the representa-tives of the Fifth precinct, then presented Mr. Davis's name, and moved he be confirmed.
